

Please see the attached Bus Routes.

You may also visit our Facebook page for the 2021-2022 Bus Routes. The pickup times are approximate. Please arrive 5 to 10 minutes early at your bus stop. We appreciate your patience during the first couple of weeks of school. It always takes a little more time in the mornings and especially in the afternoons until our little kiddos get used to riding a bus.

The buses will load at the Elementary/Primary School around 3:05 PM and they will load at the High School at 3:10 PM. Again, the first couple of weeks will take a little more time in the afternoons and we appreciate your patience.

We look forward to seeing everyone on Monday!
