Third - Fifth Grade Objectives

Math and ELA MAP Review

Reading: Students will be working on reading books for Reading Counts. If students have not met the goal, or beat the goal, this would be a great time to encourage them to have a reading counts book everyday!

Math: Students will review previous topics in math in preparation for the testing being completed this week.

Spelling: There will not be spelling words this week!

Mrs. Russell's Resource Room

1st Grade

Reading: Students will learn about nouns.

Spelling: Students will learn about words with the long e.

Math: Students will learn about comparing numbers using $<$, $>$, & $=$.

2nd Grade

Reading: Students will learn about verbs with singular and plural nouns.

Spelling: Students will learn words with vowel patterns o, oa, and ow.

Math: Students will learn about subtracting 2 digit numbers.

3rd Grade

Students will MAP practice, review, and begin MAP testing.
