Second Grade Objectives

Reading: Students will be able to identify cause and effect.

Writing: Students will be working on writing informative/explanatory texts in which they include a topic and facts/details.

Math: Students will tell and write time to the nearest five minutes.

Spelling: Students will be able to spell and read plural words.

note	notes	lunch	lunches	story
stories	tune	tunes	switch	switches
baby	babies			

Third Grade Objectives

Reading: Students will identify and use graphic sources to aid in comprehension. Students will use a dictionary or glossary to help identify the meaning of unknown words.

Writing: Students will identify and correctly use subjects and verbs in agreement.

Math: Students will multiply by multiples of 10.

Science/Social Studies: Students will investigate the stars.

Spelling: Students will correctly spell words with *j*, *s*, and *k*.

clock	large	page	mark	kitten
judge	crack	edge	pocket	brake
change	ridge	jacket	badge	orange
freckles	advantage	pledge	Kentucky	kingdom

Fourth Grade Objectives

Reading: Students will read Paul Bunyon and review generalizations.

Math: Students will learn about line plots.

Science/Social Studies: Students will learn about goods and services, needs and wants.

Spelling: Students will test over the following words on Friday, February 9th.

its	ours	mine	yours	family's
families	man's	men's	girl's	girls'
hers	theirs	brother's	brothers'	teacher's
teachers'	aunts'	aunt's	boys'	boy's

Fifth Grade Objectives

Reading: Students will read Exploding Ants and be able to compare and contrast information from a text. Students will also be able to identify homophones and use them correctly.

Writing: Students will continue working on an expository writing piece about the seven continents. Students will be able to identify and use a graphic source. Students will also be able to identify pronouns and make them possessive.

Math: Students will be able to multiply a fraction by a whole number.

Science: Students will learn about weathering, erosion, and deposition. Students will also learn about rocks and minerals.

Social Studies: Students will continue to use the five themes of geography to study the regions of the United States. Each article presents a region of the United States and images of its important features.

Spelling: Students will be tested over the following spelling words on Thursday, February 1st.

cent	sent	scent	threw	through
weather	whether	their	there	they're
chili	chilly	tide	tied	pale
pail	aloud	allowed	course	coarse

PROJECT PLAYGROUND is in the works! Our PK, K, 1st, and 2nd grade students are in desperate need of playground equipment designed for their smaller sizes. Unfortunately, equipment is not cheap, and **WE NEED YOUR HELP!!** In collaboration with the **PTO**, we will be having various fundraisers. The first event will be **Parent's Night Out** and will be held on Friday, Feb., 9th. Return your **Pledge cards** that were sent home a few weeks ago. **We appreciate all of your support!**

Mrs. Blair's and Mr. Ettinger's Resource Rooms

All Classes will work on IEP Goals.

All classes will complete MAP Practice Skills.

Spelling Test will be on Friday, February 9th.

*****Don't forget about book reports and Reading Counts!*****

February: Students will continue exploring skills needed for educational achievement and life career goals. Students will specifically explore healthy mindset and tolerance.

Kingston K-14 Pre-K Screening and Kindergarten Registration will be held March 25-27th in the Primary building. To enter kindergarten in August, 2024, your child must be five years of age by July 31, 2024. To enter Pre-K, your child must be 3 years of age by July 31, 2024. Please call 573-438-4982 Ext 1 to schedule your child(ren)'s appointment, and bring the following documents to the appt: BIRTH CERTIFICATE, PROOF OF RESIDENCY, PARENTAL PHOTO ID, SHOT RECORDS, CUSTODY PPWK, IF APPLICABLE.
