

III. SPECIAL INSTRUCTIONS

1. **START-UP** - the bidder shall indicate the name of company, agent, address and phone number of the party responsible for checking operation of equipment after final installation. If installation by party other than bidder, the school shall be responsible for notifying specified agent that equipment is ready for start-up inspections. All start-up inspections shall be completed within 10 working days of notification
2. **DEALER WARRANTY** - In addition to manufacturers' warranty the successful bidder shall guarantee for a period of one (1) year all items and equipment furnished under this bid. The warranty shall begin on the date the owner has accepted the start-up report or the owner has notified the successful bidder that start-up is complete. The conditions of the warranty shall be as follows:
3. **FACOTORY AUTHORIZED SERVICE AGENTS** - The bidder shall indicate the name, address and phone number of a factory authorized service agency for each item specified. The factory authorized service agency shall be located within 100 miles of installation site. Providing this information is in addition to the dealer service required in No. 2 above. A written statement from the manufacturer shall be attached to the bid indicating that this agent is authorized to service its equipment. Factory authorized service agents shall abide by the code of ethics of the Commercial Food Equipment Service Association (CFESA).
4. **CODES** - All equipment must be constructed and installed in accordance with the National Sanitation Foundation Code. All equipment must be listed and approved, where applicable, for UL, AGA and ASME requirements and all other requirements as specified by local building codes, plumbing codes, fire codes and all other state and local codes. All food service equipment must bear the applicable seals.
5. **MANUALS** - The Food Service Director shall be provided with three (3) copies of use/care manuals and illustrated parts list for all equipment with moveable parts. These manuals shall be provided within 10 days of installation.
6. **INSTALLATION** - Kingston K-14 School District will be responsible for running electricity to the serving unit through the provided wire chase. The successful vendor shall furnish the Cafeteria Serving Line as specified. The district requires lift gate delivery. Please give details of delivery and installation.
7. **BRANDS A & NAMES** - Where equipment is specified by name of manufacturer and model number, it is intended that this name and number represent the preference of the owner. Any proposed substitution must state all exceptions to the specifications. Bidder must submit any request for substitution in writing. Bidder must also submit with this request for approval, all necessary manufacturer's brochures, drawings and detailed specification sheets in sufficient detail to facilitate deciding as to equality.
In the event the alternate is approved, all bidders will be notified by addendum so they will also have the opportunity to quote on the acceptable alternate.
8. **SPECIFICATIONS** - Written description in the specification will prevail in case of conflict between written description and model number.
9. **ON-SITE VISITS AND FIELD MEASUREMENTS** -The successful bidder shall be responsible for taking all field dimensions that affect the equipment and installation thereof. At the time of taking field measurements, the successful bidder shall report to the contact person named in invitation any conditions which will prevent him from the execution of this work as outlined in specifications and installation instructions.
