Dear Parents, Legal Guardians, and Students:

Enrollment for high school summer school is now open for any Kingston High School student entering grades 9-12 for the 2023-2024 school year. Summer school will be held virtually this year and will begin on Wednesday, May 24th and end on Thursday, June 22nd. All high school students enrolling for summer school must attend orientation in the high school cafeteria on Wednesday, May 24th. Orientation will begin at 8:15 AM and should only last about an hour. At orientation, your students will receive their chromebook for the summer, make sure they are enrolled in the classes they have selected, are able to navigate the virtual program successfully, and receive contact information if troubleshooting or assistance is needed. Once your student has completed orientation they are free to leave. All virtual courses must be completed and all district issued equipment must be returned by Thursday, June 22nd.

In the event your student does not have internet service and needs to attend summer school in person, then a staff member will be on campus each day. Summer school hours for the high school begin at 7:45 AM and end at 2:55 PM. Students should not be dropped off prior to 7:15 AM, but should be at school by 7:40 AM if they are needing to attend in person. Breakfast and lunch will be served in the elementary cafeteria free of charge for any student enrolled in summer school and breakfast will begin at 7:15 AM. If a high school student chooses to eat breakfast at the elementary school then they will need to walk down to the high school after breakfast is over and enter the building through the front office. High school students that need to attend in person due to lack of internet access will be located in the high school library for the entirety of the day.

For students needing transportation, there will be summer bus routes. We will be using bus routes similar to those of the regular school year and an official bus route schedule will be released closer to the start of summer school.

Applications are now available online or can be picked up in the high school. All applications must be turned into the high school office by Monday, May 22nd. If you have any questions or need further assistance, then please call the high school office at 573-438-4982 x3.

Sincerely,

Mr. Corey L. Rice
KHS Principal

Part B: Virtual School Courses and Details

According to Section 167.227 RSMO, "No pupil shall attend Summer School courses in more than one district during any one summer." Students who enroll in Kingston K-14 High School Virtual Summer School may not enroll in and attend Summer School courses at another district.

The Kingston High School Summer School Virtual Program is web-based and accessible anywhere through an internet connection. A Kingston K-14 staff member will be available on campus to help students needing assistance navigating through the program and for those students who don't have internet access and need to attend in person. Students who have internet access will work from home and weekly phone calls to parents (when concerns are present) will be conducted periodically during the virtual summer school session to ensure students are making adequate progress.

You may obtain up to 2 full credits in the Virtual Summer School Session (May 24th - June 22nd). Please circle the desired course(s):

Summer School Code of Conduct

Students will be expected to follow all school rules at summer school. The Kingston K-14 School District's discipline policy is listed in the student handbook located on our school website. Since the summer school program is entirely voluntary and free to the students, poor student performance and/or behavior will result in dismissal from the program. The summer school supervisor has complete control over a student's continued participation in the program. The supervisor will call parents concerning any behavior which detracts from a student's ability or other student's ability to learn. Continuous misbehavior or poor performance will result in a student being dismissed from summer school.

In addition to behavior, I understand the expectations for course completion. In the event I am not progressing in my course(s) or do not complete the courses by Thursday, June 22nd, 2023, I will be dropped from the course(s) and not earn/ obtain credit. I also understand that it could reflect poorly on my transcript.

In order for your student to attend summer school, parents or legal guardians must sign this paper attesting to the fact they have read and understand the policies and procedures for summer school and course completion.
